MONTHLY NEWSLETTER OF THE
FREMANTLE CAMERA CLUB

Winter Rain (Jonas Hook)
Rhonda McInnes

President's Report

The club meets at 7.30pm on the first and third Tuesday of every month (except January) at the North Fremantle Community Hall: 4 Thompson Road, North Fremantle (Harvest Road end). See the map at the bottom of our home page: www.fremantlecameraclub.com.

The first Tuesday is an educational evening and the third Tuesday is competition night. In addition there are social outings organised to improve and share our photography skills. See information in this month's Freographic and on the website. Guests are always welcome. Become a club member today!

Welcome to Freographic September 2021 issue

We have some serious celebrating to do this month with a number of club members receiving awards for their work. Huge congratulations to Jan Robinson for being the most successful photographer overall, and from WA, in the 2021 Royal Perth Show Photography competition. Jan topped the number of entries and her image Landing Approach was top of the list. Jan also got second place in Australian Rural Life category and a merit in the Creative/Altered Reality category.

Other very notable achievements at the Royal Show were Pat Halloran's first place in the Creative/Altered Reality category with his High Priestess image, and third place to Adam Smalley in the same category with his image Distinguished Gentleman. Jeff Spickett received two merits in the Australian Rural Life category with Looks Good to Me and Ready for Action. I hope you've had a chance to see the exhibition. Apparently the hall was buzzing. I was lucky enough to help out hanging the prints and so I got a sneak preview of all winners and acceptances. Congratulations to the many Fremantle Camera Club members whose prints were on show.

The 2021 WAPF Print West Competition awarded third place to Adam Smalley for his stunning image Majestic. While Fremantle Camera Club didn't place, we'll try again next year because it's always great to be involved. Jurien Bay Camera Club will be hosting in 2022 so start planning!

See you all on 12 October (note new date) for our next education night with Clinton Bradbury sports photographer. Should be action packed with good tips for the next club competition.

Education report

For our September Education Talk, our presenters were Declan and Callan from Camera Electronic.

We heard about the latest cameras from most known brands in the photography world. Giving us an insight into each brands specialty.

Showing us that each brand has something different to offer.

It was great being able to physically use the cameras that were talked about and see how light the bodies are in weight. Especially with the mirrorless cameras.

Hopefully next year we can ask Camera Electronic to come back and do a hands-on night about lighting, possibly with models.

Congratulations to Coral Jenkins, the door prize winner for the night, won a book called Western Australia Land of Opportunity.

Camera Electronics website is below and remember they have stores in Stirling and Murray Street Perth.

Club Competition Nights

Judge: Chris Saunders

This Months Subject:

Book or Film Title:

Illustrating the title of a published book or commercially released film. It is thought that a well-known title would have more appeal than an obscure one. To assist in the judging, titles would have to be announced.

Club Subjects

Competition nights are held the third Tuesday of each month. The subjects for the monthly competitions have been set by the Committee and are as follows: Please pay careful attention to the definitions.

OCTOBER

Action:

An image depicting a person or people doing something in a non-leisurely manner e.g. sport, an emergency, at play or at work.

October Date Change:

Education Night - 12th Oct
Competition Night - 26th Oct

NOVEMBER

City at Night:

A scene out-of-doors in a large town or city taken at night. It may consist of illuminations, buildings or people, but there must be evidence to show that the location conforms to the title. A picture of a neon sign with no surrounding detail would not be acceptable.

Competition Rules

See the club website for the full competition rules and responsibilities. In summary:

All financial members of the club are eligible to enter monthly competitions to a maximum of one entry in each of the four competitions (print and digital sections, comprising open and set subject, in either colour or monochrome). All images must be the original photographic work of the member, but may be digitally enhanced.

When entering the next competition remember that Gold and Silver award images may not be re-submitted in either digital or print format at another monthly competition. Similarly, images that come very close to resembling a previous Gold or Silver award entry are ineligible for entry in any section. Bronze and other entries may be converted to a higher standard based upon the judge's comments and only re-submitted in one subsequent competition.

Digital Images: Maximum digital image size is 1920(width) x 1080(height) pixels. A different ratio may be applied to the digital image (e.g. square or 'letterbox'), provided the maximum sizes are not exceeded. There is no limit on resolution.

Each digital image must be submitted as a JPEG file (*.jpg) and in sRGB profile and must have the following file title format: Digital Image Title_Open / Subject_Competitor Number.jpg e.g. Snowflakes_Open / Subject_151.jpg. Digital images are to be submitted to the Digital Images Coordinator by emailing them to fremantlecameraclub@gmail.com by 12 noon on the Sunday nine days prior to competition night.

Prints: Maximum print size is 40 x 50cms, including matt and backing. There is no minimum size. Maximum thickness of entry is 5mm, including print, matt and backing. Any print that does not fit within these maximum sizes may not be accepted for competition. Prints may be produced either commercially (i.e. a printing service) or by the member. Print entries must be properly secured to an appropriate backing of either cardboard or foam core. Members must not submit prints that may potentially damage other entries when packed or during transport.

Each print must be labelled with the following format: Image Title; Open / Subject; **and Competitor Name and number (ie not just number)** e.g. Raindrops; Open / Subject; John Smith 203, on the reverse side of the print in the top left hand corner of the mount board. This makes it easier to return prints.

Prints must be delivered to the Print Competition table at Club meetings no later than 7:15pm. The prints are to be placed facedown in the relevant competition area ie Subject or Open.

Points will be allocated in the monthly competition on the following basis:

- | | | |
|----|-------------------|---------------|
| a. | Gold | 5 points; |
| b. | Silver | 3 points; |
| c. | Bronze | 2 points; and |
| d. | Non-winning entry | 1 point |
